

Get ready to score big with our flick football game. Players must take it in turns to flick the ball into their opponent's goal. Similar to a penalty shootout, each player gets five attempts. May the best striker win!

Instructions

Players: Up to 4

- 1.** Using the template, cut out your goal posts and football, and follow the lines to help you fold it to form each object (P.S. you might need a pair of scissors and some glue).
- 2.** Each player must give themselves a pizza-worthy name to help keep score of who's skills are scoring the biggest slice of the action.
- 3.** Using your finger, aim to flick the ball into your opponent's goal post. The opponent may act as a goalkeeper.
- 4.** For both the player attempting to score and the goalie, **ONLY** one finger may be used. Any contact with the hand will be considered as a penalty and enable the opponent another chance to score.
- 5.** Each player will get five attempts to shoot from anywhere in their own half, whoever scores the most goals wins the match.
